# Mahammad Ismayilov *Junior Assistant*

mahammad.ismayilov@ktu.lt | Kaunas, Lithuania | +37062797815 | Mahammad Ismayilov | MaqamedMLG

## EDUCATION

Sep 2026 – Present
**PhD Informatics,** *Kaunas University of Technology*
Grade: not graded
Doctoral Dissertation: Development of Algorithms Based on Deep Neural Networks and Signal Processing Technologies for Image Reconstruction

Sep 2024 – Jun 2026
**MSc Artificial Intelligence in Computer Science,** *Kaunas University of Technology*
Grade: 9.62/10
Master's Thesis: Research of Image Classification Based on the Interaction of Wavelet Transforms and Artificial Neural Networks

Sep 2020 – Jun 2024
**BSc Informatics,** *Kaunas University of Technology*
Grade: 8.1/10
Bachelor's Thesis: System for Isolation and Classification of Environmental Sounds

## PROFESSIONAL EXPERIENCE

**KTU Faculty of Informatics**

Sep 2026 – Present
**Junior Assistant (Part-time)**
- Teach and support students in MATLAB and Cisco Packet Tracer laboratory classes.
- Prepare and update learning materials and laboratory tasks for the Computer Networks course.
- Conduct research in the research group, contributing to journal articles and a conference proceedings paper.

**Tools: Scientific Research, MATLAB, Simulink, Cisco Packet Tracer, Moodle, TCP/IP**

Feb 2026 – Jul 2026
**Academic Assistant (Part-time)**
- Prepared and improved teaching materials in Moodle and assisted with evaluation workflows.
- Conducted lab sessions and taught OS subsystems, Shell, and C scripting for automation.
- Contributed to a research group preparing a scientific journal article.

**Tools: Bash/Shell, C, Git, PuTTY, Moodle, Scientific research**

Jun 2024 – Feb 2026
**Teaching Assistant (Voluntary)**
- Delivered lectures on TCP/IP, routing algorithms, & subnetting.
- Guided students through PHP, SQL, and XAMPP-based web development.
- Supervised semester projects in Cisco Packet Tracer.

**Tools: TCP/IP, PHP, SQL, XAMPP, Oracle VM VirtualBox, Cisco Packet Tracer, Moodle**

Aug 2025 – Present
**KTU Alumni Centre, International Relations Coordinator (Part-time)**
- Prior experience in designing and planning various types of events.
- An ability to lead a team & work collaboratively with different departments.
- Leading the creation of project videos to strengthen alumni and student engagement.

**Tools: WordPress, HTML/CSS, JavaScript, PHP, Canva, CapCut, Office 365, Event Management Tools**

May 2024 – Sep 2024
**Salesforge, Technical Support Specialist (Full-time)**
- Resolved 500+ customer issues using Intercom and Slack, maintaining high satisfaction.
- Managed domain authentication and DNS setups, improving email delivery reliability.
- Analyzed SQL-based queries to improve database-related troubleshooting.

**Tools: SQL, DNS Configuration, Intercom, Email Infrastructure**

Feb 2024 – May 2024
**Edgard & Cooper, IT Support Specialist (Erasmus+ Internship)**
- Handled 300+ tickets using Zendesk, supporting hardware, software, and user accounts.
- Automated Azure AD workflows using PowerShell; deployed apps via Intune.
- Audited over 300+ Intune records for security compliance.

**Tools: Azure AD, PowerShell, Git, Microsoft Intune, Zendesk, MS 365 Admin Center, Jira, Agile**

Jun 2023 – Aug 2023
**"SUKANAL" ETLI, System Administrator (Erasmus+ Internship)**
- Upgraded hardware for 100+ PCs and configured Active Directory on Windows Server.
- Troubleshot network issues and created router backups using Cisco and PuTTY.
- Supported VPN, DHCP, and DNS configurations and provided remote IT support.

**Tools: Windows Server 2016, Cisco Packet Tracer, DHCP, DNS, PuTTY, Oracle VM VirtualBox**

## PUBLICATIONS

Sep 2026
**NAKROŠIS, Arnas; ISMAYILOV, Mahammad; SHUKUROV, Gurban; ARUL MANI, Adhithiyan; RAVALI SRINIVAS, Sanjaykrishna; VĖŽYS, Joris; OSTAŠEVIČIUS, Vytautas; PAULAUSKAITĖ-TARASEVIČIENĖ, Agnė.** Fusing heterogeneous sensor data using artificial intelligence hybrid models for dairy cattle health anomaly detection // Journal of dairy science. New York: Elsevier. ISSN 0022-0302. eISSN 1525-3198. 2026, Early access, p. 1-21. DOI: 10.3168/jds.2026-28889

May 2026
**ISMAYILOV, Mahammad; ČALNERYTĖ, Dalia.** Integration of Multi-Level Wavelet Decomposition and CNN for Brain Tumor MRI Classification. In: *Applied Sciences*. Basel: MDPI, 2026, Vol. 16, Iss. 9, Article No. 4482. eISSN 2076-3417. DOI: https://doi.org/10.3390/app16094482

## CONFERENCE PROCEEDINGS

May 2025 **ISMAYILOV, Mahammad; ČALNERYTĖ, Dalia.** Integration of Image Decomposition Methods and CNN for Image Classification. In: *Vilnius University Open Series: Proceedings of the Conference "Lithuanian MSc Research in Informatics and ICT". 2025*. Vilnius: Vilnius University Press, 2025, pp. 46–55. eISSN 2669-0535. DOI: https://doi.org/10.15388/LMITT.2025.6

## LANGUAGES

**English** — *Fluent* | **Russian** — *Fluent* | **Turkish** — *Fluent* | **Lithuanian** — Conversational | **Azerbaijani** — *Native*

## SKILLS

Python | C# | C | PHP | SQL | MATLAB | PowerShell | TensorFlow | PyTorch | Agile | Jira | Git & GitHub | Routing & Subnetting | Technical Troubleshooting | Medical Image Classification | Wavelet-based Feature Extraction | Multi-scale Image Processing | Image Decomposition | Audio Signal processing

## AWARDS

**Lithuanian State-Funded Doctoral Scholarship 2026-2030,** *Government of the Republic of Lithuania*

**KTU Alumni Association Scholarship 2025,** *Kaunas University of Technology*

**Applicability to ECIU University Award 2025,** *ECIU University*

**Lithuanian State Scholarship 2024-2026,** *Švietimo Mainų Paramos Fondas*

**University's Talent Scholarship 2023-2026,** *Kaunas University of Technology*
